Reports to parents

I have been talking to the teachers about changing how and when we send you reports. At the moment, we send a short report during the year so you have information early, and the main report goes home in July. The staff and I feel that perhaps this is too late in the year and that maybe shorter, more frequent reports would be more useful?

What do you think?

What do you want from your child's report?

What is the most useful and interesting information we can give you?

We have to report on some things (such as attendance) by law but we would like to tailor the report so it is useful to you.

If you have an opinion, please let me know by coming to a meeting at school next **Wednesday 31st January at 3pm**. This is informal and just a way of gathering your views and there will be chocolate biscuits and you can bring pre-school children! If you can't attend but have a view, please let me know by speaking to me on the playground or sending a note/email. Thank you.

Yours faithfully

Mrs King
