

# Curriculum Overview – Year 4 – Term 1

## Computing

In Computing this term we will be looking at programming through the programme Turtle Art.

## History

This term we will be learning about the Roman invasion and their life in Britain.

## R. E.

In R.E. this term we will be answering the question 'What can we learn from religions about deciding what is right and wrong?'

## English

This term we will be reading *Leon and the place between*. We will be thinking about circuses and writing descriptively.

Maybe you could watch some Cirque du Soleil clips on YouTube to help you with this.

## D.T.

In D.T. this term we will be incorporating working lights and circuits into our designs.

## Maths

This term the children will be learning to work with numbers up to 1000 when adding and subtracting. They will be using decimal fractions to solve problems. Children will learn how to find the perimeter of 2D shapes and use this to solve problems.

## Science

In Science this term we will be studying our 'Electricity' unit. Looking at how circuits work and how to keep ourselves safe.

## P.S.H.E.

Our topic for PSHE this term will be 'Going for Goals'. We will be setting our own goals and breaking them down into steps to help us achieve them.

## P. E.

In P.E. this term we will be swimming and developing our skills in invasion games.

## French

In French this term we will continue to learn new French sounds and will be naming modes of transport and French towns.

## Music

The children will develop performances of contrasting poems. They use their voices to speak expressively and rhythmically, and discover ways to create ostinato accompaniments to enhance their performances.

## Home Learning

Your child should read their AR reading book every evening and take quizzes in school to work towards their target.

Homework will also be sent home and your child should complete a Breakfast, Lunch and Dinner before the end of term.

**Please remember that your child will need a water bottle every day.**
