Spelling Bee

Well done to Oak house for winning the Spelling Bee last week! Congratulations to everyone who took part.

Football team

The school football team have had a good year! We got to the quarter finals in the big tournament at Minterne in March and to the semi-finals of the Swale inter-school league this week. The children played really well and with a great attitude. Well done to all the children who have trained every week.

Cricket

Lots of children have been enjoying cricket lessons this term and there is a new junior cricket club now open that they might like to attend.

Ring Adam on 07861 377546 for more details.

Yours faithfully,

Mrs King
