

Canterbury Road Primary School

‘a friendly happy place to learn’

3rd July 2020

Newsletter 18

Dear parents and guardians,

I hope everyone is keeping well and that those of you at home are keeping busy and managing to have some social contact. You probably know that yesterday, the government released their guidance for the return to school in September. I am busy working out how to implement this at Canterbury Road and will let you know arrangements as soon as I can. I can tell you that children in Years 1-6 will return to school on Thursday 3rd September and will go to their new class. I will send details for the new Yr R class separately.

Goodbyes and hellos

It is important that your child says ‘goodbye’ to their teacher and meets their new teacher. We obviously can’t do this in our usual way but we do have a plan so that all children, including those at home, can come to school in a safe, social distanced way to say goodbye to their old teacher and meet their new teacher. I will send details of this next week.

Year 6 will have a leaving party to say goodbye to each other and the school on the afternoon of Monday 21st July from 1pm. Year 6 children who have not returned to school as yet will be invited and social distancing will be in place. Unfortunately, parents can not attend this.

Sports’ Day

Sports’ Day is always a great day and Year 6 wanted to make sure that they had one last one before they leave the school. They have planned a fun Sport’s Day and details of this will be sent home next week. They have worked hard to make sure that everyone can take part, even those who don’t have equipment or a garden and it should be good fun. Once the results are in, we will award the cup to the winning house as usual and let you know! Watch out for the email on Monday.

You can contact us via the office or use the school emergency number which you can text or ring on 07544 811224. This ‘phone is on 24 hours a day. Sue (FLO) is back at work from Monday-Thursday and she is contactable in working hours on 07510 647755.

Kind regards,
Mrs King
