Canterbury Road Primary School

Dear Parents, Carers and the extended Canterbury Road family,

We are now over half way through the school year and head towards the last two week break before summer. What a fantastic term Term 4 has been with **skateboarding**, school outings, **charity fund raising**, residential **trips**, hard work, amazing learning and **excellent experiments!** We have included a few photos from each event on the second page of this newsletter because **why tell you what we have done when we can show you!**

We look forward to a well deserved rest over the Easter break and a fun filled term 5 with even more excitement. Please remember children return on **TUESDAY 22nd April**- after the Easter weekend.
Mr Pye

Dates For The Diary

| | |

Red Nose Day Jokes

Well done to the winners of our Joke Competition on Friday 21st March for Comic Relief. As a school we raised £68 which is enough for respite sessions for young carers and essential equipment that allows disabled children to go to school. Well done! Here are the best jokes from the classes:

Why can't elephants go swimming? Because they forgot their trunks!

What did one volcano say to the other volcano? I lava you

Why did the banana go to the doctors? Because it wasn't peeling very well.

What do you call a fake noodle? An Impasta

Why did the giraffe cross the road? Because he was in a traffic jam

People kept telling me to stop acting like a flamingo so I had to put my foot down.

School Commute

We are aware of the issues that arriving on time for school drop off and collection can cause but we have had a number of complaints regarding vehicles and parking along School Road. Please can I draw the attention to the following:

- School Road is not owned by the school and is a public road meaning it is used by other cars, pedestrians and cyclists. Please be mindful when driving up or down this road and drive at an appropriate speed.
- Please do not block the garages unless they have a "TO LET" sign
- Please only use the disabled space if you have a disabled badge. This space is also not owned by the school and can be used by anyone with a disabled or mobility badge.
- Please do not block the car park gate as this stops access for the minibus and members of staff.

Design a Float Competition

Congratulations to Temitayo in Year 4 who won first prize in the "Design a Float" competition for Sittingbourne Carnival, and to Layla year 3 who came third out of 120 entries across multiple schools. All designs can be seen in the Carnival programme.

Clockwise from top: Comic Relief / Red Nose Day, Skateboard Day, World Book Day, Science Week / Science Fair, Careers Club, Year 2 Football Morning, Year 5 Residential to Brighton, Year 3 sandwich Making at Subway, Easter Events
