Fri 19.7.19	Last day of the school year for children
Weds 4.9.19	First day of school for children in Yr 1-6.

Margate trip Yr R-3

The weather is looking good in Margate tomorrow at 17° and sunny so please remember sun cream. It will be windy so children will need a jacket/fleece or a coat. Don't forget to send children in with a packed lunch, drinks and a named bucket and spade! The office will text you when we arrive and when we are on our way back.

Staffing

Miss Hayes in Year 6 is having a kidney transplant later this month and so her last day with the current Year 6 class will be Friday 14th June before this class go to Swattenden on their residential trip. Miss Hayes would normally go on this too but this year, Mrs Thorne and then Miss Oxberry will join the class with Miss Hayes teaching Year 5 whilst Miss Oxberry is away. Miss Hayes last morning at school will be Friday 21st June.

Miss Hayes will return once she has recovered sometime in the new school year. I am sure you join us all in wishing her well. Mrs Brown and Mrs Eastop will cover Miss Hayes' work for the rest of this term and there will be a temporary teacher employed to teach Year 6 English from September until her return.

Yours faithfully,

Mrs King
Head Teacher
